

PRESS RELEASE

2019-01-01

## **ALEXANDER BITAR FOUNDATION**

---

As of 2019-01-01, Alexander Bitar is announcing the founding of the Alexander Bitar Foundation.

After the success with the charity sale of the significant 1922 Albert Einstein manuscript, the process of founding a new non-profit charity foundation was ongoing. The mission of the new foundation is to preserve and strengthen historical heritage. The foundation will donate various important historical items to museums and institutions all over the world.

Alexander Bitar Foundation will be connected to Alexander Bitar History in the sense that proceeds of all sales will benefit the foundation.
